Spotlight on Illustration

Have you heard, Katy Alston has joined us in the Studio running a Natural History Illustration group?

Running every three weeks on Thursdays, between Midday and 3pm Katy teaches the group different drawing, painting and ink work techniques. If your looking for some quiet time to immerse yourself in the art of illustration then this is the group for you. It's a lovely group where relaxation is very high

on the agenda. Spaces are still available, so if you'd like to join give us a call at the Studio and we'll do the rest

Some of the group's work.

Opportunities for Disabled Adults

Do you know or support an adult with learning

disabilities who would benefit from some creative time?

We have spaces available on our Tuesday and Wednesday groups where we teach a number of different creative skills building confidence over the weeks. Call and book a taster session today.

Get Sewing

Karen has returned to the Studio after a lambing break! So if you've been peering at that sewing machine gathering dust in the corner or are missing the Sewing Bee but don't know where to start come and join us.

Running on the 2nd and 4th Friday each month you can come as often, or as little as you like and it's all very relaxed so don't worry that you haven't got the skills. We also have machines you could use if you want to try before your buy. Give us a call to find out more and book your place.

Volunteer with Us

Did you know Loudwater have lots of opportunities for you to get involved as a volunteer?

Kim

Being a Charity, staffing levels at Loudwater are extremely limited and we are on the lookout for people who would be interested in volunteering. We've just recruited Kim to the Studio and part of her role will be to help us develop a team of volunteers so all those ideas we'd love to see happen can be put into practice.

We have lots of opportunities from supporting groups, and donation sorting, to helping us with fundraising, you could even volunteer from home as one of our Loudwater Creatives. All your volunteering hours will be paid back in Studio time for you to use how you wish, so really there's nothing to lose. Interested? Want to find out more then why not join us at our Open Day on Tuesday, 28 June between 11am and 2pm, or call us at the Studio to have a chat.
