Loudwater Community Arts Newsletter

Here we go again!

Well we managed to stay open for 3 months before another lockdown started; what a year! We wanted to reassure you that although we're closed to Studio users, we'll be working hard behind the scenes, developing our workshop programme for 2021 and more. Should you need to speak to us we will be picking up telephone messages once per week, but will be keeping up to date with emails and our social media channels. So please keep in touch.

How about a Craft Box?

Have you heard about our Craft Boxes? If you have a child at home who needs entertaining, or support a vulnerable adult, we can help you keep some kind of normality during lockdown with one of our Craft Boxes. Boxes start at £10 and come with a preplanned activity, all the materials you'll need and full instructions. To find out more, or to order your box drop Nikki an [email](#).

Become a Friend!

Did you know you could become part of this amazing place by becoming a Loudwater FOAL (Friend of Arts at Loudwater)?

For a small annual fee you will be invited to exclusive member events, newsletters and discounts on our workshops. You can join as an individual, family or with your workplace. [Take a look](#) and find out more.

Kiln Crowdfunding!

As if a sewage flood and pandemic weren't enough, our kiln suffered significant damage during a recent firing, resulting in us needing a new kiln!! An expense we really didn't need.

We've launched a crowdfunding page on Just Giving to help us raise the funds. We know times are hard but if you could spare anything to help it would be very much appreciated. Ceramics is one of our largest areas of work and ceramics without a kiln is pretty unimpressive. This has been a really tough 18+ months so please tell your friends and help us spread news about [our cause](#).

Shop for Christmas

Starting to think about Christmas? We may currently be closed to visitors due to the pandemic but we could help you. We now have our own [Etsy Shop](#) where handmade Studio items can be bought. Have a creative in your life? How about getting them a Loudwater Gift Voucher? These can be used for part or full payment for any Studio activity including towards a ceramic membership; workshop; Paint your Own Pot and more. [Take at look at our website](#).
